Comcast TC8305C Port Forwarding Setup Instructions for Vivotek Camera

In the picture above the address bar has <u>http://www.google.com</u> in it. Just replace all of that with the internal IP address of your Technicolor TC8305C router. By default the IP address should be set to 10.0.0.1.

	-		
LOGIN			
		on customerCe	om customerCentral

You should see a box prompting you for your username and password. Enter your username and password now.

The Default Username is: **admin** The Default Password is: **password** Now that you are logged in to your Technicolor TC8305C router you should see the following:
