Invoke 2*ZOOM function / picture in picture / change display mode

VCR / ENTER

VCR playback / enter menu setup

 /  Channel 1 (channel 5) display / up

 /  Channel 2 (channel 6) display / down

 /  Channel 3 (channel 7) display / left

 /  Channel 4 (channel 8) display / right

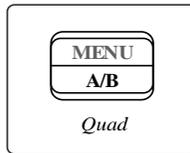

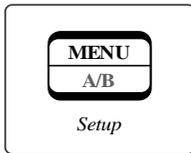

Key Definition

Setup Menu Function / Quad A or B Display

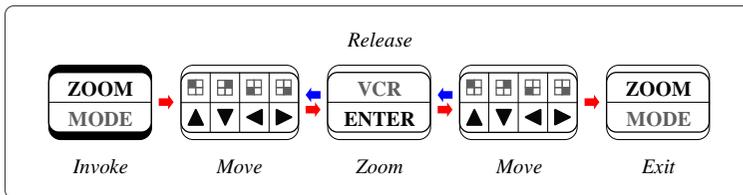

Refer to the Setup Menu Operation section.

Key A/B selects page to be displayed. Page A and B is toggled for each A/B key.

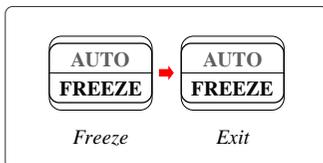

Zoom Function

A zoomed area can be moved by pressing 4 arrow keys when zoom function is invoked. Freeze function can also be invoked while zoom function is invoked.

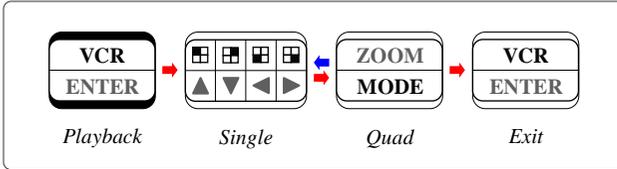

Freeze Function

All displayed channel is frozen when freeze function is invoked. Zoom function can also be invoked while freeze function is invoked.

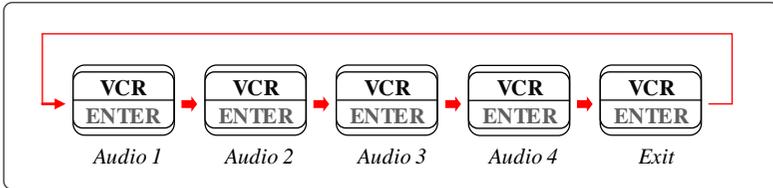

Playback Function

When playback function is running, 4 channel keys select camera to be displayed as single full screen and the MODE key makes quad display mode.

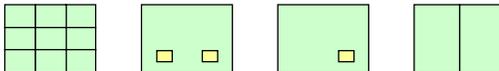

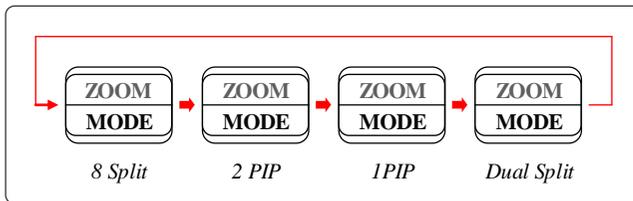

Audio Display (Only with Audio color Quad system)

The display modes are circulated as the following sequence.

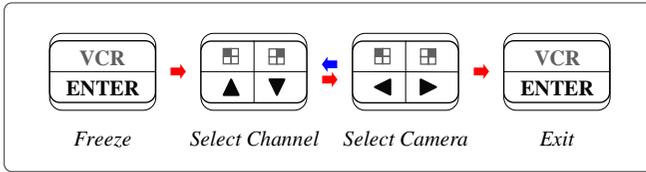

Multi Channel Display

The display modes are circulated as the following sequence, Non-realtime 8 Split, 2 Picture-in-Picture, 1 Picture-in-Picture and Dual Split for each MODE key.

UP and DOWN key selects the channel in 2 Picture-in-Picture, 1 Picture-in-Picture and Dual Split mode, and then the selected channel boundary is blinking. The camera in the selected channel can be chosen by LEFT and RIGHT key

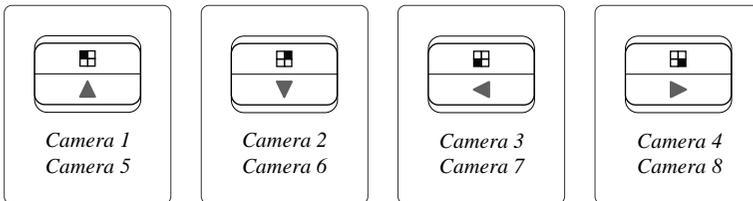

Auto Sequence Display

AUTO key invokes auto sequence display mode and this mode can be maintained until any other display mode is selected.

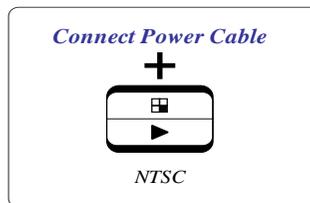

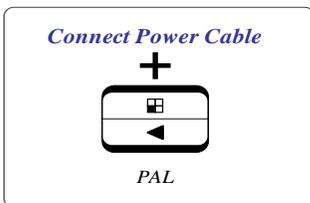

Single Channel Display

Each channel button selects camera to be display as full screen. When pushing same button, camera is toggled to the other page.

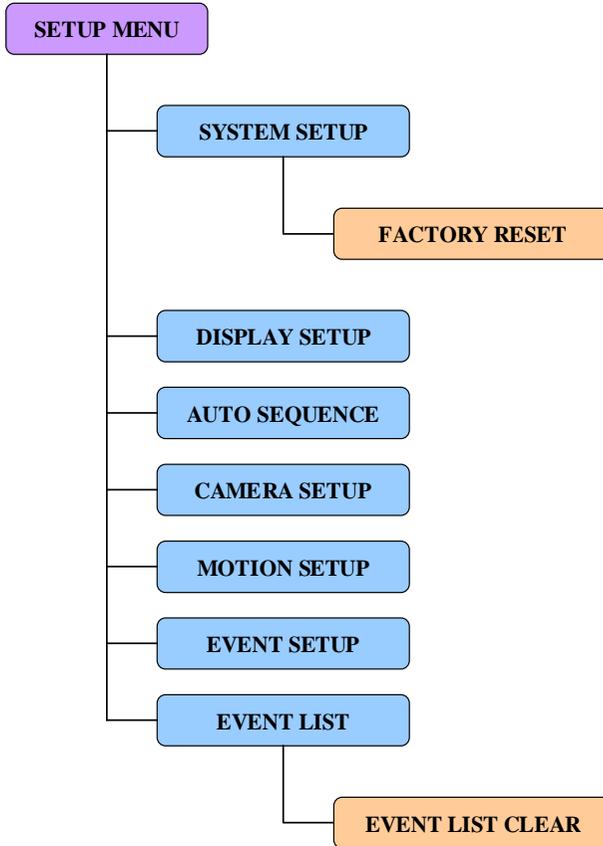

PAL/NTSC System

System can be defined as NTSC or PAL standard with the following method. The first method is to power on with pressing RIGHT or LEFT key and the second one is to define in the setup menu.

Setup Menu Operation

The system provides a built-in GUI setup screen. For each menu, the key function is described in the lower region to help operation. The following figure shows the structure of GUI menu.
